

Mapping

```
graph BT; A["pip._vendor.html5lib._trie._base.Trie"] --> B["Mapping"]
```

A diagram illustrating a mapping. At the bottom, a gray rectangular box contains the text `pip._vendor.html5lib._trie._base.Trie`. A blue arrow points vertically upwards from this box to a white rectangular box at the top, which contains the text `Mapping`.

`pip._vendor.html5lib.
_trie._base.Trie`
