

requests::Session

```
graph BT; A["pip._internal.network.session.PipSession"] --> B["requests::Session"]
```

The diagram consists of two rectangular boxes. The top box is white with a thin black border and contains the text 'requests::Session'. The bottom box is gray with a thin black border and contains the text 'pip._internal.network.session.PipSession'. A blue arrow points vertically from the top center of the bottom box to the bottom center of the top box, indicating an inheritance or dependency relationship.

pip._internal.network.session.
PipSession
