

NamedTuple

```
graph BT; A[pip._vendor.pyparsing.version_info] --> B[NamedTuple]
```

The diagram illustrates an inheritance relationship. A box labeled 'NamedTuple' is at the top. A blue arrow points upwards from a box labeled 'pip.\_vendor.pyparsing.version\_info' to the 'NamedTuple' box, indicating that 'pip.\_vendor.pyparsing.version\_info' inherits from 'NamedTuple'.
