

old_sdist

```
graph BT; A[numpy.distutils.command.sdist.sdist] --> B[old_sdist]
```

A diagram illustrating a mapping or alias. A blue arrow points from the full module path 'numpy.distutils.command.sdist.sdist' in a grey box at the bottom to the shorter alias 'old_sdist' in a white box at the top.

numpy.distutils.command.sdist.sdist
